Dear Candidate,

As you will be aware we are delivering the Mayoral Address Booklets to every voter in the borough as required under the election rules. The register closed on the 6 October and you can collect a copy of the register on 8 October at the Elections Office in the Town Hall after 12 noon until 5:00pm.

Thank you for providing a brief C.V. to Louise Stamp. We were hoping to include this in our editorial on the role of the Mayor in East End Life this week. Unfortunately, after further advice, we are not able to publish the C.V. as this will be caught by the prohibition on political publicity under the Code on Local Government Publicity. We will be pushing your name, party and photo as candidate as part of the article.

If you have any queries please do not hesitate to contact me.

Yours sincerely,

Isabella Freeman
Deputy Returning Officer
